President's Message:

Dear WCAMPWA Members:

I am honored to have been afforded the privilege of serving as the President of WCAMPWA for the one-year term of January 2019 to December 2019. As the organization that provides support and advancement to individuals involved with Public Works, we have an important role to play in laying a course for the future of this discipline. I join a team of passionate and devoted public servants, and talented individuals on the executive committee. We are all eager to enhance the role that WCAMPWA plays in Westchester County and the evolving field of Public Works.

I also come with a sense of excitement and appreciation for our organization and its mission. The executive committee will continue to undertake the planning and partnering with our counterparts to continue efficient management of our organization. This will be instrumental in offering more value to our current members and help in the growth of the organization.

We cannot accomplish our end result in isolation, and will be seeking your participation and input in the coming months. For the continued health of this organization, your active involvement is essential. Please be aware of our email blasts containing newsletters, meeting information, training and job opportunities, etc. Please also express any interest to volunteer for serving on the executive or ad-hoc committees.

Please do not hesitate to contact myself or any members of the executive committee with suggestions or input. I look forward to engaging with all of you in proudly serving the WCAMPWA organization.

Respectfully submitted,

Anthony R. Carr, PE, CFM
President
WCAMPWA
City of White Plains

Monthly Meeting:

WCAMPWA's next General Membership meeting will be held on Thursday, February 14, 2019 at 12:00 PM at Sam's of Gedney Way, 50 Gedney Way, White Plains, NY 10605.
